WARNING AND ACKNOWLEDGEMENT OF RISK, RELEASE OF LIABILITY AND  
INDEMNITY AGREEMENT**

**PLEASE READ CAREFULLY BEFORE SIGNING.**  
**THIS IS A RELEASE OF LIABILITY AND WAIVER OF CERTAIN LEGAL RIGHTS.**

In consideration for my being permitted by the 10th Mountain Division Hut Association, Inc. ("10th Mountain"), Alfred a. Braun Hut System, Inc. ("Braun"), Friends Hut, Inc. ("Friends Hut"), Summit Huts Association ("SHA") and Emmelyn Hut, Polar Star Inn, Carl's Cabin, Shrine Mountain Inn, Continental Divide Cabins, Grand Huts Association, Inc. ("GHA") and Vance's Cabin (collectively, "Hut Owners"), who collectively own and operate a system of huts (the "Hut System"), and the owners of all property used, by easement or otherwise, to access and/or use the Hut System ("Property Owners") to participate in the use of and travel to the Hut System, I acknowledge and agree to the following warning, waiver, release and indemnity.

I acknowledge that backcountry and wilderness travel to, from, and between the huts and the use of high mountain huts have inherent risks, hazards and dangers that cannot be eliminated, particularly in a wilderness environment in mountainous terrain at, near, or above treeline.

**I understand that these risks, hazards and dangers include without limitation:**

- (1) Risks arising from any activities in the areas that are not patrolled or policed, where road, property and trail conditions vary and are not maintained or controlled and are unpredictable and changeable, where objects and hazards are not marked and may not be visible, and where weather is changeable and unpredictable;
- (2) Risks involved in decision making and route finding in a wilderness environment in mountainous terrain and risks of getting lost and of not reaching the hut;
- (3) Risks arising from any activities, including without limitation travel and overnight stays, at altitudes ranging from 8,000 feet to 11,700 feet above sea level, including without limitation, acute mountain sickness, high altitude cerebral edema, high altitude pulmonary edema, and other effects of altitude and altitude-related sickness;
- (4) Such other risks, hazards, and dangers that are inherent in and integral to wilderness travel and outdoor activities such as hiking, horseback riding, bicycling and motorized vehicle travel in a wilderness environment and mountainous terrain along access routes and other areas selected by the user;
- (5) Risks arising from the use of remote, simple huts with no communication systems to allow communication with search and rescue and which are located in a wilderness environment in mountainous terrain where the functionality of any user- owned or -operated communication technologies is limited or nonexistent.

I have read the information provided to me by 10th Mountain through my group leader concerning the use of the Hut System. I also acknowledge that Hut Owners and their staff have been available to more fully explain to me the risks, hazards and dangers of use of and travel to the Hut System. I understand that use of and travel to the Hut System in a wilderness environment in mountainous terrain and on routes chosen by the user may require good physical conditioning and a degree of skill and knowledge different from other activities. I understand that I have responsibilities as a backcountry user. **I AM VOLUNTARILY USING AND ACCESSING THE HUT SYSTEM WITH FULL KNOWLEDGE OF THE INHERENT RISKS, HAZARDS AND DANGERS INVOLVED AND HEREBY ASSUME AND ACCEPT ANY AND ALL RISKS OF INJURY, PARALYSIS AND/OR DEATH.**
